

Achievement

Accessing the Singlet-Triplet Splitting in Double Dots via the Kondo Effect.

Invited presentations at conferences

Object ID 210268

Presenting Person [Loss, Daniel](#) ;

Function Professor/in;

Organization / Research Unit

Departement Physik

Departement Physik / Theoretische Physik Mesoscopics (Loss)

Name of conference / meeting SPG Jahrestagung in Lausanne

Place of conference EPFL Lausanne

Title of presentation Accessing the Singlet-Triplet Splitting in Double Dots via the Kondo Effect.

Date 01.03.2002
