**Series title** Accord - An international review of peace initiatives

**Number** 22

**Keywords** Chad, Darfur, European Union, Regional Conflict, Peacekeeping, Peacebuilding

In responding to the regional conflict system in eastern Chad, the EU innovatively sought to deploy a peacekeeping force (EUFOR) across the border with CAR. But David Lanz asserts that, in practice, EUFOR Chad/CAR did not patrol the insecure border area. Ultimately EUFOR's impact on security was minimal. And Brussels' focus on EUFOR eclipsed vital political engagement.
