

Research Project

CEFALO - An international case-control study on brain tumours in children and adolescents

Third-party funded project

Project title CEFALO - An international case-control study on brain tumours in children and adolescents

Principal Investigator(s) [Rööslí, Martin](#) ;

Project Members [Infanger, Denis](#) ;

Organisation / Research unit

Swiss Tropical and Public Health Institute (Swiss TPH) / Physical Hazards and Health (Rööslí)

Department

Project start 01.08.2006

Probable end 31.01.2012

Status Completed

Background: Mobile phone use among adults and children has increased considerably in the past 15 yea...

Financed by

Swiss National Science Foundation (SNSF)

Foundations and Associations

Public Administration
