

Research Project

Domestic radon exposure and risk of childhood cancer

Third-party funded project

Project title Domestic radon exposure and risk of childhood cancer

Principal Investigator(s) [Röösli, Martin](#) ;

Organisation / Research unit

Swiss Tropical and Public Health Institute (Swiss TPH) / Physical Hazards and Health (Röösli)

Department

Project start 01.06.2009

Probable end 01.06.2012

Status Completed

Abstract will follow

Financed by

Swiss National Science Foundation (SNSF)
