

## Research Project

Childhood leukaemia and radiofrequency electromagnetic fields from broadcast transmitters

### **Third-party funded project**

**Project title** Childhood leukaemia and radiofrequency electromagnetic fields from broadcast transmitters

**Principal Investigator(s)** [Röösli, Martin](#) ;

**Project Members** [Hauri, Dimitri](#) ;

**Organisation / Research unit**

Swiss Tropical and Public Health Institute (Swiss TPH) / Physical Hazards and Health (Röösli)

**Department**

**Project start** 01.09.2011

**Probable end** 31.08.2012

**Status** Completed

Background: The World Health Organization classified radiofrequency electromagnetic fields as "possibly carcinogenic to humans".

**Keywords** childhood leukaemia, broadcast transmitters, radiofrequency electromagnetic fields

**Financed by**

Public Administration

**Add publication**

**Add documents**

**Specify cooperation partners**
