**ISSN/ISBN** 978-90-272-5626-3

**Series title** Pragmatics and beyond. New series

**Volume** 221

**Keywords** advice, interaction, conversation analysis, discourse analysis, corpus analysis

This peer-reviewed series offers a selection of high quality work covering the full richness of Pragmatics as an interdisciplinary field within language sciences. It is committed to innovative research and includes monographs and thematic collections of articles. We welcome submissions with a focus on language use without predefined boundaries for the field and with an explicit interest in work that interacts with other fields such as sociology, anthropology, semantics, historical linguistics, and so on. Table of Contents Acknowledgments 1. Introduction: Advice in discourse Miriam A. Locher and Holger Limberg Part I: Advice in academic, educational and training settings 2.
