

Research Project

The Role of Thymine DNA Glycosylase in the Maintenance

Third-party funded project

Project title The Role of Thymine DNA Glycosylase in the Maintenance

Principal Investigator(s) [Schär, Primo Leo](#) ;

Organisation / Research unit

Departement Biomedizin / Molecular Genetics (Schär)

Department

Project start 01.07.2008

Probable end 30.06.2010

Status Completed

Financed by
