

Research Project

Ultra-sensitive force detection and molecular manipulation

Third-party funded project

Project title Ultra-sensitive force detection and molecular manipulation

Principal Investigator(s) [Meyer, Ernst](#) ;

Co-Investigator(s) [Poggio, Martino](#) ;

Organisation / Research unit

Departement Physik / Nanomechanik (Meyer)

Department

Project start 01.04.2013

Probable end 31.03.2017

Status Completed
