Approximation of two-variate functions: singular value decomposition versus sparse grids

Invited presentations at conferences

Object ID 2291499

Presenting Person [Harbrecht, Helmut](#) ;

Function Professor/in;

Organization / Research Unit

Departement Mathematik und Informatik / Computational Mathematics (Harbrecht)

Name of conference / meeting 2nd Workshop on Sparse Grids and Applications

Place of conference Munich (Germany)

Title of presentation Approximation of two-variate functions: singular value decomposition versus sparse grids

Date 03.06.2012
