Achievement

Peptide signals and their receptors in plant innate immunity

Invited presentations at conferences

Object ID 2362749

Presenting Person [Boller, Thomas](#) ;

Function Professor/in;

Organization / Research Unit

Departement Umweltwissenschaften / Pflanzenphysiologie Pathogenabwehr (Boller)

Name of conference / meeting SPS Conference 2013: Plant signalling in a changing environment

Place of conference Evry, Paris, France

Title of presentation Peptide signals and their receptors in plant innate immunity

Date 04.07.2013
