

Research Project

AFM for nano-structural and -mechanical studies of dielectric actuators

Third-party funded project

Project title AFM for nano-structural and -mechanical studies of dielectric actuators

Principal Investigator(s) Müller, Bert ;

Project Members Osmani, Bekim ;

Organisation / Research unit

Departement Biomedical Engineering / Biomaterials Science Center (Müller)

Department

Project start 01.07.2014

Probable end 31.12.2014

Status Completed

AFM for nano-structural and -mechanical studies of dielectric actuators

Financed by
