Title "Africa always brings us something new" : a historiography of African Zionist and Pentecostal Christianities

Journal Religion

Volume 45

Number 2

Pages / Article-Number 153-173

Keywords Pentecostalism, Zionist churches, historiography, typology

This article outlines and interrogates the historiography, major debates, critical works, and typological disputes in the study of African Zionist and African Pentecostal Christianities. We contend that despite the many valid historiographic and typological critiques advanced in recent decades, the categories of Zionist and Pentecostal continue to retain validity and utility to scholars and practitioners alike.
