A Global History of Swiss Diplomacy

Third-party funded project

Project title A Global History of Swiss Diplomacy

Principal Investigator(s) [Herren-Oesch, Madeleine](#) ;

Project Members [Wettengel, Julian](#) ; [Matter, Dominik](#) ; [Bürgisser, Thomas](#) ;

Organisation / Research unit

Europainstitut

Europainstitut / Neuere europäische Geschichte (Herren-Oesch)

Department

Project start 01.10.2015

Probable end 30.09.2019

Status Completed

The project aims to contribute in a substantial way to a better understanding of the historical development of international relations from the diplomacy of great powers in the nineteenth century to today's complex structures of global governance. Introducing and critically investigating the concept of "civil diplomacy", the scholars understand the Swiss case of organizing foreign relations as a paradigm for the formation of modern multifunctional diplomacy.

Keywords Diplomacy, international relations, Swiss history
