Project Members [Schubert, Johannes](#) ;

Organisation / Research unit

Departement Gesellschaftswissenschaften / Afrikastudien (Macamo)

Project Website <http://www.spp1448.de/>

Project start 01.04.2015

Probable end 01.04.2018

Status Completed

Jon Schubert's current research project, Technocrats at the Hydrocarbons Frontier: Changing Stateness in Mozambique (as part of the DFG SPP1448) will look at how staff at the National Hydrocarbons Company ENH remake and rethink the role of the state at the interface of national bureaucracy and globalised capital.
