Source Sediment Tracking from Soils to Oceans: Linking Biogeochemical Concepts of Isotope Geochemistry with Geophysical Data

Invited presentations at conferences

Object ID 3395026

Presenting Person [Alewell, Christine](#) ;

Function Professor/in;

Organization / Research Unit

Departement Umweltwissenschaften / Umweltgeowissenschaften (Alewell)

Name of conference / meeting Gordon Conference on Catchment Science

Place of conference Andover, NH, USA

Title of presentation Source Sediment Tracking from Soils to Oceans: Linking Biogeochemical Concepts of Isotope Geochemistry with Geophysical Data

Date 16.06.2015
