## Achievement

Sediment source attribution from the soil to the river with CSIA of long-chain fatty acids

### Invited presentations at conferences

**Object ID** 3395036

**Presenting Person** [Alewell, Christine](#) ;

**Function** Professor/in;

**Organization / Research Unit**

Departement Umweltwissenschaften / Umweltgeowissenschaften (Alewell)

**Name of conference / meeting** Soil Organic Matter

**Place of conference** Göttingen, Germany

**Title of presentation** Sediment source attribution from the soil to the river with CSIA of long-chain fatty acids

**Date** 21.09.2015
