

Research Project

Investigating Individual Multiferroic and Oxidic Nanoparticles

Third-party funded project

Project title Investigating Individual Multiferroic and Oxidic Nanoparticles

Principal Investigator(s) [Kleibert, Armin](#) ;

Co-Investigator(s) [Poggio, Martino](#) ;

Organisation / Research unit

Departement Physik / Nanotechnologie Argovia (Poggio)

Department

Project start 01.01.2016

Probable end 31.12.2019

Status Completed
