Title Agreement on Access and Benefit-sharing for Academic Research: A toolbox for drafting Mutually Agreed Terms for access to Genetic Resources and to Associated Traditional Knowledge and Benefit-sharing

Publisher Swiss Academies of Arts and Sciences

Place of Publication Bern, Switzerland

ISSN/ISBN 2297-1572

Series title Swiss Academies Reports

Volume 11

Number 3

Keywords Model agreement, model clauses, biodiversity, genetic resources, academic research, research management, Nagoya Protocol, Convention on Biological Diversity, CBD, access to genetic resources, benefit sharing, regulations, traditional knowledge

This manual contains a set of model clauses that enables users and providers of genetic resources and associated traditional knowledge to set up a legal contract that is adapted to the individual academic research situation. If mutually negotiated and agreed upon by the involved partners this agreement can yield a "Mutually Agreed Terms" ABS contract.
