Research Project

Governance of Global Health Partnerships

Project funded by own resources

Project title Governance of Global Health Partnerships

Principal Investigator(s) [von Schnurbein, Georg](#) ;

Co-Investigator(s) [Perez, Marybel](#) ; [Gehring, Theresa](#) ;

Organisation / Research unit

Center for Philanthropy Studies (CEPS) / Stiftungsmanagement (von Schnurbein)

Project start 01.12.2015

Probable end 01.12.2017

Status Completed

The project studies the governance of Global Health Partnerships registered as foundations. Through a social network analysis of the composition of boards, the project shows how interlocks are displayed and consider their effects of board governance.
