Organisation / Research unit

Departement Wirtschaftswissenschaften / Aussenwirtschaft und Europ. Integration (Weder)

Europainstitut / Europäische Wirtschaft (Weder)

Project start 01.12.2013

Probable end 31.12.2020

Status Completed

Existing research on the impact of Fair Trade (FT) has mainly focused on participating producers, showing that they typically benefit. This project examines the effect of FT on outsiders - for example coffee farmers that are not part of Fair Trade Cooperative.
