### Algebraic structures of groups of birational transformations

#### **ConferencePaper (Artikel, die in Tagungsbänden erschienen sind)**

**ID** 3720619

**Author(s)** Blanc, Jérémie

**Author(s) at UniBasel** [Blanc, Jérémie](#) ;

**Year** 2017

**Title** Algebraic structures of groups of birational transformations

**Editor(s)** Bilen Can, Mahir

**Book title (Conference Proceedings)** Algebraic groups : structure and actions : 2015 Clifford lectures

**Volume** 94

**Place of Conference** New Orleans

**Publisher** Proceedings of Symposia in Pure Mathematics

**Place of Publication** Providence, Rhode Island

**Pages** 17-30

A priori, the set of birational transformations of an algebraic variety is just a group. We survey the possible algebraic structures that we may add to it, using in particular parametrised family of birational transformations.
