Achievement

Stable Isotopes as Indicator of Soil Degradation

Invited presentations at conferences

Object ID 410522

Presenting Person [Alewell, Christine](#) ;

Function Professor/in;

Organization / Research Unit

Departement Umweltwissenschaften / Umweltgeowissenschaften (Alewell)

Name of conference / meeting International Workshop on "Application of Isotope Tracers to Biogeochemical Study of Soil Erosion and Carbon Export in Mountain Ecosystems"

Place of conference Chungjeon, Korea

Title of presentation Stable Isotopes as Indicator of Soil Degradation

Date 09.04.2010
