Achievement

The genomic substrate for adaptive radiation in Lake Tanganyika cichlids

Invited presentations at conferences

Object ID 4196471

Presenting Person [Salzburger, Walter](#) ;

Function Professor/in;

Organization / Research Unit

Departement Umweltwissenschaften / Evolutionary Biology (Salzburger)

Name of conference / meeting Gordon Research Conference: Ecological and Evolutionary Genomics

Place of conference Biddeford, ME, USA

Title of presentation The genomic substrate for adaptive radiation in Lake Tanganyika cichlids

Date 18.07.2017
