

Universität
Basel

Achievement

Dephasing by an asymmetric environment.

Invited presentations at conferences

Object ID 441778

Presenting Person [Loss, Daniel](#) ;

Function Professor/in;

Organization / Research Unit

Departement Physik

Departement Physik / Theoretische Physik Mesoscopics (Loss)

Name of conference / meeting Granular Nanoelectronics, eds. D. K. Ferry, J. R . Barker and C. Jacoboni, NATO ASI Series, Series B: Physics Vol. 251

Place of conference Granular Nanoelectronics, eds. D. K. Ferry, J. R . Barker and C. Jacoboni, NATO ASI Series, Series B: Physics Vol. 251

Title of presentation Dephasing by an asymmetric environment.

Date 02.03.1990
