Pages 131-136

ISSN/ISBN 978-3-447-11288-8

Keywords Austria, Noricum, Alps, Middle Imperial Era, pottery, Corinthian relief ware, lamps

Recent field campaigns and study seasons at Municipium Claudium Aguntum in Osttirol have brought to light some previously unknown fragments of Roman Corinthian relief ware as well as a lamp of a Corinthian manufacture. These new and for the region Noricum atypical finds prove that Corinthian wares were distributed in provinces much further from the Mediterranean coast as it was assumed until recently.

Series title Ager Aguntinus. Historisch-archäologische Forschungen

Number 3
