## Research Project

### Modeling Interpretation and the Practice of Political Theory (unter Vertrag mit Routledge)

#### Project funded by own resources

**Project title** Modeling Interpretation and the Practice of Political Theory (unter Vertrag mit Routledge)

**Principal Investigator(s)** [Weber, Ralph](#) ; [Beckstein, Martin](#) ;

**Organisation / Research unit**

Europainstitut / European Global Studies (Weber)

**Project start** 01.04.2017

**Probable end** 31.07.2021

**Status** Completed

Political theory offers a great variety of interpretive traditions and models. Today, pluralism is the paradigm. But are all approaches equally useful? What are their limits and possibilities? Can we practice them in isolation, or how can we combine them? *Modeling Interpretation and the Practice of Political Theory* addresses these questions in a refreshing and hands-on manner. It does not only model in the abstract, but also test in practice eight basic schemes of interpretation with which any ambitious reader of political texts should be familiar.
