

Research Project

QUSTEC PhD fellowship - Germanium Silicon Nanowire Nanostructures

Third-party funded project

Project title QUSTEC PhD fellowship - Germanium Silicon Nanowire Nanostructures

Principal Investigator(s) [Zumbühl, Dominik](#) ;

Organisation / Research unit

Departement Physik / Experimentalphysik Quantenphysik (Zumbühl)

Department

Project start 01.01.2020

Probable end 31.12.2023

Status Completed

abstract

Financed by

Commission of the European Union
