

Achievement

Topogenesis nad insertion of membrane proteins

Invited presentations at conferences

Object ID 453880

Presenting Person [Spiess, Martin](#) ;

Function Professor/in;

Organization / Research Unit

Departement Biozentrum / Biochemistry (Spiess)

Name of conference / meeting Spring Meeting SFB 638 Heidelberg: Dynamics of macromolecular complexes in biosynthetic transport

Place of conference Lindenfels, Germany

Title of presentation Topogenesis nad insertion of membrane proteins

Date 27.03.2010
